

MRS. CLEMENTS'S

Weekly Newsletter
September 23-27, 2024

Weekly Academics:

Letter: H

Number: 8

Color: Brown

Shape: Triangle

Unit of Study: The Senses – Sight, Hearing, Taste, Smell, Touch

Bible Story: Moses – The 10 Plagues

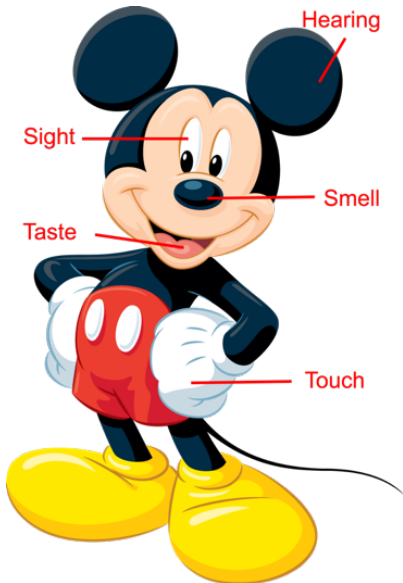

Big Idea: God can use me!

Share Time: Children may bring one item that has a smell or sound.

Featured Composer: Johann Strauss, Jr.

Home Enrichment Activities:

- During one of your meals this week, take time to ask your child to describe how their food tastes. Is it sweet? Salty? Yummy?
- Take a walk outside with your child. As you are walking, ask your child what they hear and see. Are there any crickets chirping? Any cars honking? Are all the cars the same color or are there lots of colored cars? Have fun and make sure to make some observations yourself.
- Have a fun snack using Teddy Grahams, frosting, pretzel sticks, and gummy worms. Use the frosting to attach a pretzel stick to a Teddy Graham's hand. Place a gummy worm at the feet of another Teddy Graham. Have a conversation with your child that the Teddy Grahams remind us of Moses and Aaron who God sent to talk to Pharaoh. When Aaron threw his staff down, it turned into a snake, showing the power of God. By God's power, we have the strength to face anything. Nothing is too hard for God. God helps us do things that are hard, even when we don't think we can. God can use us!

Special Snack: Tuesday-Thursday students and five-day students will be having a special snack this Thursday, September 26th. Thank you to those that have signed up. Please bring the items in by this Thursday.

Love in Christ,
Mrs. Karen Clements
