Weekly Academics:

Letter: W

Numbers: 1 - 5 Review

Color: Red

Shape: Octagon

Unit of Study: Community Helpers

Bible Story: Jesus Appears to His Disciples & The Ascension

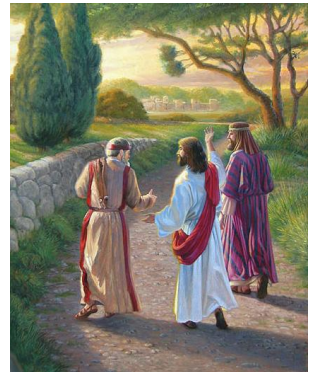

Big Idea: Jesus is alive!

Bible Verse: "He is not here; He has risen just as He said! Matthew 28:6

Share Time: There will be no share time due to our short week.

Home Enrichment Activities:

- **Pack a picnic lunch and find a park** where you can lay out a blanket. Look up at the clouds and talk about Jesus' Ascension. You can read the Bible story in the Mark 16:14-19. Discuss what kind of day it could have been when Jesus went up into heaven (was it raining? Cloudy? Sunny?). Remind your child that before He went up to heaven, Jesus asked us to "make disciples of all nations". He wants us to share the good news about Him!
- **When you go to the grocery store, have your child be your helper**, by giving him/her a clipboard with their own list of items (include pictures if you can) & a marker. They will feel important, be occupied, and have fun crossing items off their list, as they help you shop!
- **Using an ink pad, make fingerprints with your child** on a piece of paper. Talk about how God gave each of us different fingerprints and how the police use fingerprints to help them find people. See if you and your child can find fingerprints on anything in your house!
- **Thank God for all the community helpers**, especially those that work to keep us safe!

God bless you!
