Unit of Study: Thanksgiving Feast & Turkeys

Bible Story: Daniel & the Lions' Den

Big Idea: God makes us brave!

Bible Verse: "Give thanks to the Lord for He is good, His love endures forever." Psalm 107:1

Share Time: Children may bring one item related to Thanksgiving to share with the class this Thursday or Friday! **Please label your child's share item with their name.**

Home Enrichment Activities:

- **Review your child's Bible story with them (found in Daniel 6).** In our Bible story this week, Daniel prayed to God, even when he was in a den full of lions! Then, discuss how we can always talk to God, no matter where we are or how we are feeling!
- **Teach your child to play "Thankful Football":** Say something you are thankful for; then toss a football to your child and its his/her turn to say something he/she is thankful for. The next person that they throw the ball to says what they're thankful for and so on. You can play with family and/or friends!
- **Give written "blessings" to each other**: Write a Bible verse or simply an encouraging note and put it in your child's lunch box. For example, "I love you, sweetie! God bless your day!".
- **Help your child make and decorate "Turkey" name cards** for your family Thanksgiving meal.
- **As you begin to prepare for Thanksgiving**, consider including your child in some of the preparations. Whether you're baking pies, cleaning the house, or shining the silverware, ask your child to help you out. It might take more time, but that time spent with your child is surely something to be thankful for!

Thank You: We would like to thank all the families who donated food and items for our Thanksgiving Feast, as well as the volunteers who helped at the Feast last week. We had a wonderful time giving thanks!

Happy Thanksgiving!
