Enrichment Activates:

- Have fun looking for blue or red items around your house. Your child can then name the items you have found.
- You and your child can enjoy looking for oval shaped items outside.
- Go to the store and have your child help you purchase an American flag and have fun placing it in your yard for Flag Day (June 14th). Discuss how blessed we are to live in the United States of America!
- You and your child can hold a small American flag while dancing to Patriotic music. Your child will love dancing with you!
- Read Luke 17:11-19. This Bible story talks about how Jesus entered the city and saw ten men who had leprosy. The men asked Jesus to have mercy on them. Jesus told them to go show themselves to the priest. As they were walking on the way to the Temple, the men saw that Jesus had made them well. Only one man, a Samaritan, came back to say "thank you" to Jesus. "Weren't all ten healed? Where are the other nine?" Jesus asked. Jesus was sad that the other 9 men did not come back and praise God. This Bible story reminds us to always remember what Jesus has done for us and to be grateful!

Love in Christ,
