Share Time: Children may bring one item that reminds them of their dad!

Featured Composer: Ludwig van Beethoven

Special Snack: We will have a special "Marine Life" snack this Friday, June 17th. Thank you to those who have signed up to help provide this special snack!

Home Enrichment Activities:

- Have your child help you plan Father's Day! Ask them to help you with things, like what his gift should be and what you all should do as a family.
- Remind your child that God is our Heavenly Father. Encourage them by telling them that God never makes mistakes and He made them exactly the right way! Our Heavenly Father loves us so much!
- Make a tasty ocean treat with your child! Follow the directions on a package of blue Jell-O. Before you put the Jell-O in the fridge to set, mix in some gummy fish and gummy octopi! When it's set, you'll have a fun and delicious ocean scene!
- Imagine that you are deep sea divers. Talk about what you would need to go exploring under the sea and what you might find while you are in the ocean!
- Act out different marine life: swim like a fish, "squiggle" like an octopus with 8 arms, "chomp" your arms in the air like a hungry shark, jump & squeak like a dolphin, bark like a seal, walk sideways, like a crab, etc.

Reminder: Please remember to label all of your child's belongings. This includes backpacks, lunch pails, water bottles, jackets, and hats. Thank you!

Love in Christ,
Mrs. Sanchez
