Share Time: Children may bring one item from home relating to the Unit of Study. Share day is on Thursdays for our T/Th students and Fridays for our M/W/F students. 5-Day students may bring something to share on either Thursday or Friday, but not on both days (please only one share item per week so we have time for every student to share). Thank you!

Last Days of School: Our last days of school will be on Thursday, May 26th (for our T/TH students), and Friday, May 27th (for our M/W/F & 5-Day students). We will be having a special snack those days and watching a fun Veggie Tales movie to celebrate the last days of school! =) Please see the sign-up sheet on the window if you would like to sign up to help. Thank you!

Home Enrichment Activities:

- Make a pretend dinosaur fossil! Roll clay into a ball and flatten it slightly. Use a dinosaur toy to make an imprint on the clay. Cook the "fossil" in the oven according to the instructions on the clay packaging; when it cools you can have your child paint it.
- Play an "ABC Scavenger Hunt" to help your child review A-Z. Start with the letter "A" and ask your child, "Can you point to something in our house that starts with A?"
- Go swimming and talk to your child about the story of Jesus Walking on the Water while you swim! You can read about it in Matthew 14:22-23.

Love in Christ,
Mrs. Krylo
