Weekly Newsletter
May 29 - June 2, 2023

Welcome: Our summer session begins this Thursday, June 1st, for 2-day and 5-day students, and Friday, June 2nd, for 3-day students. I look forward to spending time with all my students!

Unit of Study: Beach - Sand, Ocean, Shells

Bible Story: Healing the Man Born Blind

Shape: Rectangle **Number:** 1 **Color:** Blue

Share Time: The children may bring something related to the beach to share with the class.

Classical Music: The composer featured this month is Johann Strauss, Jr.

Enrichment Activities:

- Take a walk on the beach with your child and see how many different kinds of shells you can find. Have your child place the shell next to his/her ear and listen for the sounds of the ocean.
- Put your feet in the sand. Have fun talking to your child about how the sand feels on their feet.
- Have fun drawing rectangles in the sand.
- See how many blue items you can find around your house.
- Read John 9:1-12. This Bible story is about a man who was born blind. Blind is when you can't see. God has made us with eyes that can see! Jesus was walking with His disciples when they saw a man blind from birth. Jesus spat on the ground and put mud on the blind man's eyes. Then He told him to wash in the Pool of Siloam. So, the man went and washed and came home seeing! The disciples were able to witness another miracle!

God Bless!
