## **Enrichment Activities:**

- Take a trip to the pet store and look at all the fish.
- Go to Seal Beach pier and observe all the people fishing.
- Have fun looking for green items around your house.
- Read a book related to marine life and have your child point to the pictures and name the animals found in the ocean!
- Thank God for creating all the marine life in the ocean.
- Thank God for dads and grandpas!
- Let your child help Daddy or Grandpa with a chore around the house. Your child will love being your special "helper".
- Read John 11:1-14, 38-44. This Bible story talks about a man named Lazarus who was very sick. He had two sisters named Mary and Martha. Mary and Martha had sent for Jesus to help their brother. Jesus and His disciples (helpers) had left the city, and when they returned, Lazarus was no longer alive. Mary and Martha must have been very sad. I would be sad, too. Jesus told Martha that her brother would rise again! Jesus told the men to remove the stone, where Lazarus was buried, and commanded Lazarus to come forth! Lazarus, did indeed, come forth! Jesus performed another miracle!
