## Home Enrichment Activities:

- **Google instructions for how to make a "telephone"** with two cans and a string and help your children create a "phone". After you and your child play with it for a while, ask your child to tell you about how God spoke to Samuel (this can be found in Samuel 3). Remind them that God speaks to us too!
- **Go cloud watching with your child.** On a cloudy day, take a blanket outside and lay it down in an area that is clear of trees. Then, have your child lie next to you and watch the clouds as they roll by. What do they see - a certain shape, animals, or object? Let them know what kind of clouds are out that day.
- **Fly a kite with your child outside on a windy day!** If you are extra adventurous, you can make your own kite using the directions found here: <https://www.my-best-kite.com/how-to-build-kites.html>. Talk with your child about why the kite stays up or doesn't stay up. Ask them what they think would help it stay up better, and how they think it could stay up if there wasn't any wind.

**Trunk or Treat:** You are invited to West Cypress Church's annual Trunk or Treat on Saturday, October 25<sup>th</sup>, from 4:30-6:00 p.m. All families are welcome to attend this special, free event and children may come dressed up! If you would like more information, please contact the school or church office.

God bless you!
