- "Bird Nest" – Supplies: small wreath, raffia (or shredded paper product), moss, items, which might belong in a nest (egg, bird figurines, and insects), items, which do not belong in a nest (coins, trash, and other small toys). Place all the items in a tray along with a small-galvanized bucket to act as a trashcan for things that did not belong. Have your child use tweezers to sort the materials.
- Search "bird cam" on YouTube and you can see many types of birds feeding or living in their nests.
- Review our weekly Bible story, "The Last Supper" (Mark 14:12-26). This eating of the bread and drinking of the cup is called the Last Supper. It is a special time to remember that Jesus died for us. A time to remember He is coming again!

In His service,
