**Enrichment Activities:**

- Thank God for creating so many different, beautiful birds.
- Read a story about birds with your child. Have your child point to the different birds and name them.
- Go outside in your backyard or to a park, find a bird with a pair of binoculars, and observe its behavior.
- Here is a fun craft idea for you and your child. Go outside and look for items you might find in a nest. Then, you and your child will have fun making a nest together, by gluing them onto paper.
- You and your child can look for brown items inside and outside of your house. You can have your child name the items!
- Read Luke 10:38-42. Jesus arrived at the home of Mary and Martha. Mary was so excited that Jesus had come to visit. Mary sat down to listen to Jesus as Martha was busy doing her work. Martha got upset when she saw her sister listening to Jesus and not helping her. Jesus told Martha that Mary was doing what was important. Listening to Jesus was far more important than cleaning the house and preparing the meal!
