- Take your pet to a park that allows pets with your family.
- Look through pictures of different pets and have your child pick out their favorites.
- Discuss how God made some pets to be soft and furry, while other pets are slimy, scaly, or have feathers.
- Please read *Genesis 37:1-35*. This is a Bible story about a man named Jacob who had twelve sons. Jacob loved his son Joseph more than his other sons and made Joseph a coat of many colors. This was a special gift! This made his brothers so angry that they didn't want to speak to Joseph. They decided to put Joseph in a deep pit. This wasn't a kind thing to do! Some traders were passing by, and Joseph's brothers sold him for twenty pieces of silver. His brothers took the coat back to their father, Jacob, and he immediately recognized the coat and was very sad. I would be sad too! Joseph's brother's lied to their father about what happened to Joseph, but God was with him and had a plan for his life, to bring good out of the bad things that happened to him. God is good!

Love in Christ,
