- Use pretzel rods and peanut butter or cream cheese to build President Lincoln's "log cabin" with your child. You can embellish with wheat – thins, graham crackers, and anything else you have in your pantry!
- Show your child the picture of Abraham Lincoln's face on the five dollar bill and the penny.
- Use pennies for a fun counting activity! Explain that 10 pennies equals 10 cents & count out 50 cents together. Then make 5 groups of 10 pennies each. Point to each group of 10 pennies & count, saying "10, 20, 30, 40, 50".
- Give your child some markers and paper to draw a large piece of bread and some fish. Then write LITTLE IS MUCH WHEN GOD IS IN IT. Write today's Bible verse on the piece of bread in the picture.
