Home Enrichment Activities:

- Each of us is created in the image of God. Psalm 139:13-16 tells us that God created us and knows us inside and out! It also tells us that we are "fearfully and wonderfully made" and before we were even born, God knew all about us! Tell your child some things that you appreciate about him/her (Ex: You are so helpful/kind/thoughtful, etc.). Help them see that God has given them those gifts and remind them that they are fearfully and wonderfully made by God!
- Ask your child how their first day of school went. What did they learn about? Who did they play with? What was their favorite thing to do in class?
- Take a walk outside with your child, and ask them to look around their surroundings and point out the things God has created for us (trees, sky, birds, etc.) Read to them Genesis 1:11-28 in the Bible and talk about all the things God created.

Welcome Letter: Every student has a welcome letter in their cubby that explains important information about what our students participate in throughout the year. The "Welcome Letter" also informs you which day is your child's share day.

Reminder: This is a reminder that all shoes need to be closed toe and closed heel. Please refer to your school handbook for more information. Also, please remember to label all of your child's items that they bring to school with their name, such as their lunch, hat, share item, etc.

**Love in Christ,
Mrs. Sanchez**
