## **Home Enrichment Activities:**

- Write upper case and lowercase letters, A through I, on a piece of paper. Ask your child to choose a crayon or marker to circle all of the uppercase letter I's. When they have finished, have them choose a new color for the lowercase i's. Continue with new colors for each letter until all the letters are circled.
- As you begin to prepare for Thanksgiving, consider including your child in some of the preparations. Whether you're baking pies, cleaning the house, or shining silverware, ask your child to help you out. It might take more time, but that time spent with your child is surely something to be thankful for!
- In our Bible story this week, Daniel prayed to God, even when he was in a den full of lions! Review your child's Bible story with them (found in Daniel 6). Then, discuss how we can always talk to God, no matter where we are or how we are feeling!

**Reminder:** Please put your child's name on all their belongings before bringing them to school (water bottles, jackets, etc.) This helps avoid confusion. Thank you!

**Special Snack:** Tuesday-Thursday students and five-day students will be making turkey roll-ups this Thursday, November 16<sup>th</sup>! Please use the sign-up sheet, on the window, if you wish to donate items. Thank you!

**Events:** Please remember to see our special events page on the classroom window for this week!
