

MISS NEILSON'S

Weekly Newsletter

March 13-17, 2023

Weekly Academics:

Letter: E

Number: 16

Color: Red

Shape: Circle

Unit of Study: St. Patrick's Day

Bible Story: The Triumphal Entry

Big Idea: Jesus is the King!

Share Time: Children may bring one item related to St. Patrick's Day.

Featured Composer: Fredric Chopin

Home Enrichment Activities:

- Go on a shamrock hunt with your child! Print out some pictures of shamrocks or cut some out using green construction paper, then hide them around your house and let your child find them. After, you can let your child hide them and you find them!

- Make a fun St. Patrick's Day rainbow craft using a piece of paper, Froot Loops, and glue! Start by pouring out some of the cereal and sorting them by color. Then, start gluing them onto the paper in a rainbow shape. You can even have a few as a snack as you make your St. Patrick's Day rainbow!

- Have a fun palm tree snack with your child, using green apple slices, graham crackers, and raisins. Use the graham crackers for the trunk, the apples for the branches, and the raisins for the tree's fruit. As your making and eating this snack, have a conversation with your child about Jesus riding into Jerusalem. Remind them that the people went to cut down palm branches to welcome Jesus because He is the King!

Jana Alayra: We will have Jana Alayra perform in concert this Friday, March 17th, at 11:00 a.m. in the church sanctuary. Tuesday-Tuesday students are invited to attend the concert during this time, accompanied by a parent/guardian that stays with them. Thank you!

St. Patrick's Day Party: Monday-Wednesday-Friday and five-day students will be having a St. Patrick's Day Party this Friday, March 17th. Thank you to those that have signed up. Please bring the items in by this Friday. Students are also encouraged to wear green for our party!

**Love in Christ,
Miss Karen Neilson**
