Home Enrichment Activities:

- Take your child grocery shopping and discuss where vegetables, fruits, grains, dairy, and proteins come from. Help them choose healthy choices while shopping.
- I will be sending a "Healthy Foods" book home next week with your child. It is not mandatory, but if they want to color it and bring it back, I will give them a prize.
- Read about "Joseph's Coat of Many Colors" in Genesis chapters 37, 40-46. Jacob gave his son Joseph a beautiful coat of many colors! Joseph's brothers were jealous of him; they threw him in a pit and then sold him as a slave. Joseph was a slave in Egypt, but God was with him! We find out later in the story that what Joseph's brothers meant for evil, God used for good! Joseph helped save Egypt from a terrible famine. He even helped save his own family from starving! Joseph's brothers said they were sorry and Joseph forgave them. Joseph knew God was always with him and that God took the bad in his life and used it for good! God is so good!

in His service,
