Unit of Study: Reptiles & Amphibians

Bible Story: Saul's Conversion

Bible Verse: James 1:17 "Every good and perfect gift is from above."

Sight Words: The sight words for this week are: "not", "were", and "use".

Share Time: The students may bring in something related to our unit of study.

Thank you: I would like to thank you for making me feel so special last week for Staff Appreciation week!

Open House/Spring Program: We are looking forward to our Spring Program this Friday, May 13th! School will close at **3:00 p.m.** on the program day. Please take your child to the bathroom before dropping them for our performance. Our TK class will be performing at 7:00 p.m. Please arrive by **6:45 p.m.** and remember to dress in black and orange "tiger" colors. Thank you!

Home Enrichment Activities:

- Make a list of all the reptiles you can think of.
- Act out different reptiles: snake, lizard, turtle, etc. and amphibians: frog, salamander, etc.
- Talk about the differences between reptiles and amphibians, such as reptiles have scaly skin and can live in dry places, while amphibians have smooth, slimy skin and need to stay wet.
- Learn more by reading books or looking up information online together, such as <http://kids.nationalgeographic.com/animals/amphibians>.
- Visit a local reptile store and see how God made each reptile different.
- Take a family field trip to The Reptile Zoo in Fountain Valley for an exciting hands-on experience with snakes, lizards, and turtles.
- Say a prayer of thanksgiving for the soldiers who have fought bravely and given their lives for the freedom we have here in the United States of America!

God bless you all,
Mrs. Muesse
