

Miss Molinar's Prekindergarten 2 Class Sept. 9 - 13, 2024

Unit of Study: Health & Safety

Week's Work: Students will discuss how to stay healthy and safe in our everyday lives. We will learn the proper printing and soft sound for the letter "Cc". We will work on our "family" signs and fingerspelling our names. We will continue to work numbers 1 - 20.

Phonics: Cindy Centipede C says "c(s)- c, c, c" as in Cinderella, circle, city, celery and cent (soft c = s sound).

Rhyming: We will be making a list of words that rhyme with the word "cat", such as "bat" and "sat".

Bible Story: Baby Moses

Share Day: This week your child may bring something about health and safety or something that is the color blue.

Bible Verse: "This is the day the Lord has made. We will rejoice and be glad in it."
Psalm 118:24

Weekly Academic Practice:

Shape: Triangle Number: Five

Color: Blue - We will be looking at items that are blue in color. We will look in nature, in books, foods we eat, as well as the clothes we wear. I encourage the children to continue this activity at home, discovering items in their life that are the color blue. During the week, if a student wears an article of clothing that is blue, they will receive a special sticker.

Featured Composer:

We will continue listening to and learning about Chopin.

Enrichment Activities:

- *Find different items in your house that start with the soft "Cc" sound.
- * Set a timer for two minutes and brush your teeth with a family member.
- *Put together some healthy snacks (fruit, veggies, nuts, and fruit juice) and go on a picnic together as a family at nearby El Dorado Park.
- *Go on a walk for exercise and try doing different moves while walking (hopping, flapping your arms, skipping, etc.).
- * Say grace over dinner, asking God to bless the food and pray that it will nourish your bodies. Thank Him for all the blessings He has given you this week. Also thank Him for His promises and how He watches over us.

God bless you all,
Miss Molinar
