\*Discuss the Bible Story: Esther: When the Jewish man Mordecai won't bow to Haman, an advisor to King Xerxes, Haman is very angry. Haman decides to get even by having all of the Jews killed. What Haman doesn't know is that King Xerxes' wife Esther is Mordecai's niece — which means she's one of the Jews! Mordecai encourages Esther to tell Haman's plan to the king. God gives Esther favor, and when King Xerxes hears what Haman said, he gets rid of Haman instead! Because of Esther's courage, the Jews are saved, and they celebrate with a huge feast.
