Enrichment Activities:

- Remember to buckle up when riding in the car.
- When riding in a car, have your child count how many stop signs or traffic signals they see.
- Take your child to a local airport and watch the planes take off and land.
- Enjoy a day at the beach watching the boats sail in the water.
- Thank God for the many forms of transportation: boat, bus, plane, etc.
- Read Luke 10:30-37. Our Bible story begins when a man, who is hurt, is found at the side of the road. A priest sees the man and decides to not help him and crosses the road. A second man passes by the wounded man and doesn't help. He, too, crosses the road. A third man, The Good Samaritan, sees the wounded man and has compassion for him and helps him. He even takes him to an inn to get better. The Samaritan also pays for the wounded man to stay at the inn. The Samaritan man shows us that we, too, should have compassion for others!

God bless you all,
Miss Karen Peterson
