Unit of Study: Flag Day

Bible Story: Healing the Ten Lepers

Bible Verse: The Lord is good to all, and His mercies are over all His works. (Psalm 145:9)

Share Time: Share days are on **Thursday** for the T/TH students and **Friday** for the M/W/F and 5 day students. Please have your child bring in something associated with Flag Day.

Sun Protection: Just a reminder that we are not allowed to apply sunscreen to the students. So please remember to apply at home and you may also provide a hat for your child to wear outside on the playground, if you would like. Please make sure to label all items sent to school with your child's name. If they are not labeled, we will take the liberty to do so.

Home Enrichment Activities:

- "Flag Day" - Have your child create their own flag. You will need red, blue and, white construction paper and silver star stickers (you can find the stickers at the dollars tree). Have your child cut the red paper into strips and glue them in a pattern onto the white construction paper. Then cut a small square of the blue paper to add in the top left corner. Have your child add the silver star stickers to the blue square.
- "Patriotic Pictures" - Materials: Newspaper to cover table, white paper, red and blue crayons, scissors, paste, background paper. Cover worktable with newspaper to protect it. Give your child crayons and a piece of white paper. Have them completely cover the paper with a red, white and blue design. Play patriotic music in the background while your child is working. Let your child cut a shape or design out of the picture. Have them paste it on a background paper to complete the picture.
- Talk to your child about how God takes care of us and is always with us. We can pray to God anytime of the day or night. He will always listen to us and He will always answer our prayers in His own perfect timing.
- Talk to your child about the history of our great country and our flag.

God Bless,

Mrs. Muesse
