Unit of Study: Christmas Advent Calendar, Christmas Chains, Angels

Bible Story: The Annunciation – Angel Gabriel Visits Mary

Bible Verse: “She will bear a Son; and you shall call His name Jesus.” Matthew 1:21

Share Time: Students may bring one item that starts with the letter L.

Phonics: Larry Lion L says, “l – l, l, l,” as in lamp, lamb, lettuce, ladybug, and lizard.

Academics to Practice this Week: **Color:** Purple **Shape:** Triangle **Numbers:** 7, 17

Featured Composer: Johann Sebastian Bach

Home Enrichment Activities:

- Make a Christmas chain with your child to count down the days until Christmas! Each day, rip one link of the paper chain off and count how many days are left!
- Use black paint, crayons, or markers to help your child practice writing our numbers and letter of the week. Remember to make sure that they are using the correct pincer grip as they write.
- Using pipe cleaners, help your child form an upper case and lower case “L, l”. Say the Phonics jingle together and make your “L”s dance! Then, use the pipe cleaners to spell out your child’s name! Do they have any “L”s in their name? How many “L” words can you think of together?
- As you begin to decorate your home for Christmas, include your child in the process. As you decorate, discuss with your child how there would be no Christmas if Jesus hadn’t come down to earth!

God Bless!
