Academics to Practice this Week: **Color:** Red **Shape:** Circle **Number:** 0, 1

Featured Composer: Johann Strauss Jr.

Home Enrichment Activities:

- Play "Simon Says" with your child. Engage their whole body as you take your turn as "Simon".
- Using chalk, write various letters on the sidewalk. Write the letter "A" several times - both upper case (A) and lower case (a). Then fill a watering can or cup with water and have your child search for the letter A. Once they have found one of the letter A's, have them water it! Continue until all the A's are watered.
- Practice holding a pencil, crayons, and/or markers using the correct "pincer" grip to write the numbers 0 and 1. While you print number one, sing, "Straight line down and that is fun, that makes number one."
- Practice our class Bible verse with your child. Then, go on a walk around the neighborhood, searching for things that God has created!

Special Snack: Monday, Wednesday, Friday and five-day students will be making a special "Bagel Face" snack next Wednesday, August 21st. Tuesday-Thursday and five-day students will be making a special "Trail Mix Friend" snack next Thursday, August 29th. Please use the sign-up sheet taped to the window of our classroom, if you wish to donate items. Thank you!
