Unit of Study: Health and Safety

Bible Story: Baby Moses

Bible Verse: (Proverbs 20:11) Even a child is known by his doings.

Phonics: This week's letter: "Ostrich O" - The jingle is: O says "o", as in ostrich. O says, "o, o, o".

Academics to Practice this Week: Number: 5 Shape: Oval Color: Orange (Students may earn a sticker for wearing the color of the week.)

Share Time: Bring something that you use to be healthy or that keeps you safe.

Home Enrichment Activities:

- Do some fun exercising as a family. It's becoming more and more common to see whole families out for 5K walks and runs. Whether the event is to raise money for charity, a community event, or simply a neighborhood race, it can be fun for everyone. Because family-friendly races are becoming more popular, there are a lot of options out there—from fun runs (i.e., Color Me Rad) to races that require training. There's a great sense of accomplishment when you reach the finish line, and racing as a family makes it even more special.
- Play a game of "Red Light, Green Light" with your child. Feel free to add other color lights, such as yellow for slow or purple for dancing! When you have finished playing, remind your child that Jesus wants us to "go" tell people about Him!
- Remember to review the Bible verses together with your child.
