

Welcome to Mrs. Krylo's Class!

2021 - 2022

“Train up a child in the way he should go;
even when he is old he will not depart from it.”

Proverbs 22:6

My name is Holly Krylo and I am so excited to be your child's teacher!

I started working at Little School of the West as an aide in 2014 and began the journey of teaching my own class in the Fall of 2017. I am so thankful that God has placed me here and has given me the opportunity to teach and guide so many sweet children over the years.

I look forward to partnering with you in your child's preschool experience!

Class Time: Our class time is from 8:30 a.m.-12:30 p.m. **All students need to be in class by 9:00 a.m.** It is important that students arrive on time, so that they don't miss out on morning play activities. Please read our student handbook for important information regarding students being tardy. Half-day students need to be picked up at 12:30 p.m., as this is lunchtime for our full-day students. If you are running late, please call the office and notify them.

Newsletters: Each week my newsletter will be posted on our school website: littleschoolofthewest.com. Please be sure and read them thoroughly as they will have important information for each week.

Unit of Study: Every week our class will be exploring a different subject about the world around us. We will be doing several activities in class, planned around the Unit of Study, so that your child may gain a better understanding of the subject.

S.P.A. (Self Pronouncing Alphabet) Phonics Program: Each week the students will be introduced to a new letter of the alphabet. The students will learn a jingle to help them remember the sound of the letter. Not only do we teach your child the letter of the alphabet each week, but we also teach your child the sound or sounds. In the case of multiple sounds for one letter (i.e. "A") we take one full week per sound. By the end of the year, your child hopefully will have grasped not only the recognition of the letters, but also the letter sounds.

Bible Time: Every week we will learn a different story from the Bible. The foundation of Little School of the West is a Bible based curriculum and learning environment. Bible Time is my favorite part of the day because we get to praise God together and learn from His Word! My hope is that the students in my class will gain an understanding of God, Jesus, and the Holy Spirit, and begin to learn that the Bible is like a lamp unto our feet that guides our paths (Psalm 119:105).

Special Snack: Our class will occasionally have special snacks pertaining to the unit of study to help us extend our learning. I will be posting sign-up sheets on the window of our class from time to time if you would like to sign up to help bring an item for our special snack.

Share Time: Every week students will have the opportunity to share an item from home that relates to our Unit of Study. We do not allow any toys that promote violence of any kind. Please label your child's share item before bringing it to school. Our T/TH students will have their share day on Thursdays, and our M/W/F & 5-Day students will have it on Fridays.

Birthdays: We love to celebrate birthdays here at Little School of the West! You will have an opportunity to participate during our morning snack time. If you wish to celebrate your child's birthday, please contact the office the month prior to your child's birthday. Note: Cakes are not allowed. *Small cupcakes with minimal frosting or cookies are recommended.

Sticker Cards/Treasures: Each child has a sticker card for the week; children will receive reward stickers throughout the day to encourage positive behavior. Sticker cards will go home on Thursday for T/TH students and on Friday for M/W/F & 5-Day students. Treasures may be given on Thursdays & Fridays to the students who have been displaying positive behaviors.

I am looking forward to serving you and your family!

Love in Christ,
Mrs. Holly Krylo
