Enrichment Activities:

- Thank God for creating so many different, beautiful birds.
- Read a story about birds with your child. Have your child point to the different birds and name them.
- Go outside in your backyard, find a bird with a pair of binoculars, and observe its behavior.
- Here is a fun craft idea for you and your child. Go outside in your backyard and look for items you might find in a nest. Then, you and your child will have fun making a nest together, by gluing them onto paper.
- You and your child can look for brown items inside and outside of your house. You can have your child name the items!
- Read Luke 22:19-20. Our Bible story continues when Jesus is sharing His last meal with His disciples before He is taken to the cross. Jesus told His disciples that when they ate the bread and drank the wine that they represented His body and blood. We, too, need to remember that God loved us so much that He sent His Son to die for us! I look forward to sharing more of this Bible story in the next newsletter.
