

# Miss Peterson's

Weekly Newsletter  
August 5 - 9, 2024

**Special Note:** Welcome to the new school year! I am excited to have your child in my class.

**Unit of Study:** Welcome to School!

**Bible Story:** Creation

**Academics of the Week:** Shape: Circle Color: Blue Number: 1 Letter: A

**Share Time:** The students may bring 1 item related to "school/learning" to share with the class. I have listed your child's share day in the welcome letter.

**Health Check:** Each day your child attends school we will do a visual health check upon arrival before you (the parent) leave, to ensure the health and safety of all our students. This is mandated by the Department of Social Services, Community Care Licensing.

**Classical Music:** This month I will be introducing classical music to the class during our art and quiet activities time. The composer featured this month is Fredric Chopin.

**Birthday Wishes:** I would like to wish a "Happy Birthday" to Luke who celebrated his birthday on August 4<sup>th</sup>.

**Enrichment Activities:**

- Have fun looking for blue items around your house.
- When you are with your child this week, look for items that are shaped like a circle.
- Pretend to play school at home! Let your child decide if they want to be the student or the teacher. Use stickers, if you want, and have lots of fun learning together!
- Read Genesis 1:1 together. How wonderful it is to know that God created the heavens and the earth for us to learn about and enjoy. The love He has for each of us is amazing! I look forward to sharing God's Word with you this year.

Love in Christ,  
Miss Karen Peterson
