

MRS. CLEMENTS'S

Weekly Newsletter
November 25-29, 2024

Weekly Academics:

Letter: Q

Number: 2

Color: Black

Shape: Rectangle

Unit of Study: Turkeys

Bible Story: Esther

Big Idea: God chooses me!

Share Time: There will be no share time this week due to the holiday.

Featured Composer: Fredric Chopin

Home Enrichment Activities:

- Print out a picture of a turkey. Have your child use popcorn kernels to outline the turkey. After, have your child count how many kernels were needed.
- Make a thankful turkey! Get some construction paper and cut out some turkey feathers and a body. Use markers to draw the eyes, beak, and wattle. For each feather, ask your child something they are thankful for and write it on the feather. After, glue the feathers to the body and you have a thankful turkey!
- Do a crown craft with your child. You can find a template online or make your own using supplies you have around the house. As your child is decorating their crown, remind them that Esther did not choose to be queen, but God chose her to help save the Israelites. Remind them that God chooses us too!

Have a happy and safe Thanksgiving!

Love in Christ,
Mrs. Karen Clements
