Home Enrichment Activities:

- Go to a local park and help collect trash to keep the earth clean. Remember to wash your hands after.
- Help your child to make a yummy Earth Day snack! Using cut blueberries, cut green grapes, cream cheese, and a rice cake, create the earth! For more information and some fun books to read while eating this snack, go to <https://theeducatorsspinonit.com/little-hands-that-cook-with-books-earth/>.
- Take some time to read Acts 2:42-47 with your child. Discuss with your child what the members of the First Church did together, such as learned and prayed. Remind them that we are in God's family too, just like those first believers, when we accept Jesus into our hearts.

School Closed: School will be closed this Thursday, April 25th, and Friday, April 26th, for Little School of the West's annual staff retreat.

Love in Christ,
Miss Karen Neilson
