Classical Music: Our featured composer for the month is Ludwig Van Beethoven.

Enrichment Activities:

- Have fun looking for yellow items inside and outside of your house. Have your child name the items.
- Have your child help you make a special dessert for your Thanksgiving meal. They will enjoy being your helper!
- Take a food basket to a neighbor in need, so that they will be able to enjoy a special meal this Thanksgiving.
- Read Daniel 6. This Bible story begins when King Darius made a law forbidding anyone to pray to God. Daniel loved God and continued to pray to Him. The king punished Daniel by putting him in the lions' den. God protected Daniel by not allowing the lions to hurt him. The king went to look for Daniel and saw that he hadn't been harmed. The king had a change of heart and believed in God because he saw Daniel had trusted God to take care of him. We can trust God to take care of us, just as Daniel did!
