Home Enrichment Activities:

- In preparation for Thanksgiving, talk with your child about people and things that you are both thankful for. Say a prayer of thanksgiving with your child, thanking GOD for all that you have. You could also start a Thanksgiving Prayer tradition by having your child pray every year before the Thanksgiving meal!
- Take food to a shelter, so that others will be able to enjoy a special meal.
- The Esther Bible story teaches us that we can trust and follow God's plans for us even when we don't know where they may lead. Esther was an orphan raised by her cousin Mordecai. Esther was a hero because she saved her people, God's people, from being killed, even knowing it may cost her life.
