Unit of Study: Transportation

Bible Story: Calling His Disciples

Bible Verse: Matthew 4:19 - Jesus said, "Come follow Me and I will make you fishers of men."

Share Day: Students may bring something associated with the unit of study or Bible story.

Phonics: Wagon W w - The jingle is: W says "w", as in wagon. W says, "w, w, w". Blends: wa, we, wi, wo, wu

Sight Words: The sight words for this week are: "see," "me," and "we". We will work on the sounds of these words and see how they are used to form sentences. You can practice with your child at home by pointing these words out in books when you read to your child.

Academics to Practice this Week: Number: 12, 22 Shape: Octagon Color: Gray

Special Snack: This Friday we will make and eat a "Traffic Light" snack. Thank you to those who have signed up to help provide this special snack.

Progress Reports: Progress reports will go home at the end of this week.

Enrichment Activities:

- Play a game with your child to see how many kinds of transportation you can think of, from the smallest skates, to as big as a rocket.
- Consider taking a family trip on the Amtrack train to Los Angeles. There are several things to do near the train station. For example, the L.A. Children's Museum and Olvera Street are both within walking distance. Your child will love this super fun hands-on museum, and Olvera Street is a fun place to eat and shop.
- Play "Fishing for Disciples"! Write the names of Jesus' 12 disciples, found in Matthew 10:2-4, on pieces of paper (for extra fun cut the papers out in the shape of fish): **Peter, Andrew, James, John, Philip, Bartholomew, Thomas, Matthew, James the son of Alphaeus, Thaddaeus, Simon, and Judas.** Place a paper clip on each paper. Next, you'll get a straw and tape a string to the straw, then attach a small magnet to the end of string. Now you are ready to go fishing for disciples! As you do, you can practice the Bible verse: *Matthew 4:19 - Jesus said, "Come follow Me and I will make you fishers of men."*
