## Enrichment Activities:

- Have a family beach day! Have your child help you plan and pack all the items you will bring: swim clothes, water shoes, beach towels, sheet/beach chairs, umbrella, hat/sunglasses, food & drinks, sand toys, etc. Remember your sunscreen!
- Take a walk together on the beach and collect seashells. Notice differences in size, color, shape, texture, etc. Count the shells to see how many you collected and have fun sorting, using them to make sand creations, etc.
- Have some fun family "crab races". Walk sideways on your hands and feet with your tummy facing up.
- Talk about the Bible story. What might Jonah have experienced inside the whale/large fish for 3 days. What was he feeling, thinking, smelling, seeing, hearing, etc.? What do you think Jonah prayed for when he was in the whale? You can find out in the 2<sup>nd</sup> chapter of the book of Jonah in the Bible.
