

# Mrs. Sanchez's

**Weekly Newsletter**

April 15 – 19, 2024

**Weekly Academics:**

**Letter:** J

**Number:** 6

**Color:** White

**Shape:** Rectangle

**Unit of Study:** Flowers, Blossoms

**Bible Story:** Pentecost

**Big Idea:** The Holy Spirit is here!

**Share Time:** Children may bring one item related to flowers.

**Featured Composer:** Johann Sebastian Bach

**Home Enrichment Activities:**

- Go to your local gardening center with your child and take a walk through their flower section. After you have finished, have your child choose some seeds to plant in your backyard (or in a pot). Ask them to tell you what flowers need to grow. Remember to plant something that is in season!
- Take your child to the park and see if you can find some flowers growing. Ask your child to tell you the different parts of the flower.
- Find some flowers with long stems. Engage your child in an art activity, using the flowers as paintbrushes.
- Find a quiet place to pray with your child and pray for your needs and for others as well. Read Acts 2:1 in the Bible and remind your child that even though Jesus had gone back to heaven, we are not alone, because God sent His Holy Spirit down to us to strengthen us and guide us through life. Sing some hymns with your child, if you don't know any then search some up on your computer or phone.

**Special Snack:** We will be having a special snack this Friday, April 19<sup>th</sup>, for our Monday-Wednesday-Friday and five-day students. If you wish to donate items, please refer to the sign-up outside the classroom window. Thank you!

**Love in Christ,  
Mrs. Sanchez**
