### **Home Enrichment Activities:**

- Make a boat with your child out of foil! After it's done, fill a container with water and see if your boat floats. Can your boat hold a penny without sinking? What else can it hold?
- Take a trip with your child on the local bus. Play a game of “I Spy”, count the number of blue cars you see, or think of another game to play with your child that you wouldn't normally be able to play while you're driving.
- Take your child with you to the car wash! Or, if you're really brave, have your child help you wash your car!
- Help your child brainstorm a list of people who your family can help this week. Whether it's baking cookies for a local police station or gathering canned food for a local food pantry, the possibilities are endless! While you're brainstorming remind your child that, just like the Good Samaritan showed love to the hurt man on the side of the road, we can love people by helping them.

**Special Snack:** We will be having a special “transportation snack” this Thursday, June 23<sup>rd</sup>. Please use the sign-up sheet, on the window outside, if you wish to donate items. Thank you!
