Unit of Study: Reptiles

Bible Story: Healing the Paralytic

Bible Verse: “For God so loved the world that He gave His one and only Son, that whoever believes in him shall not perish but have eternal life.” John 3:16

Share Time: Children may bring one item that reminds them of reptiles!

S.P.A.: Zebra Z says, “Z, Z, Z, Z, Z, Zebra. My friends call me Reba.”

Academics to Practice this Week: **Color:** Brown **Letters:** Review A - N **Shape:** Octagon
Numbers: Review 1 - 20

Featured Composer: Ludwig van Beethoven

Home Enrichment Activities:

- Ask your child to help you decorate a cardboard box to look like a turtle shell. After you are done, carefully cut out holes for your child’s head, arms, and legs. Help your child climb inside their turtle shell!
- Visit the library with your child and find some books about reptiles: A Color of His Own by Eric Carl, I Wanna Iguana by Karen Kaufman Orloff, and One Tiny Turtle by Nicola Davies are a few good books to read.
- Help your child practice printing their name using a brown crayon or marker.
- Print numbers on separate pieces of paper and hide them around a room in your house. Ask your child to go on a “number hunt” with you and help them name each number they find!
- Read our Bible story together, as a family. It can be found in Mark 2:1-12. After you are done reading, ask your child to help you think of some ways they can help someone in need, just like the friends of the paralyzed man helped him!

Spring Program: Our Spring Program will be this Friday, May 13th, at 7:00 p.m. School will close at 3:00 p.m. on this day. Please have your child dressed in “exercise” clothing and in our classroom 15 minutes before our class is scheduled to perform. Thank you!

Special Snack: We will be having a special “Last Day of School Snack” on Thursday, May 26th, and Friday, May 27th. Please sign up, using the paper on the window, if you wish to donate items. Thank you!

**God Bless,
Miss Bonni Nisbet**
