Home Enrichment Activities:

- Make a boat with your child out of foil! After its done, fill a container with water and see if your boat floats. Can your boat hold a penny without sinking? What else can it hold?
- Take a trip with your child on the local bus. Play a game of "I Spy", count the number of blue cars you see, or think of another game to play with your child that you wouldn't normally be able to play while you're driving.
- Take your child with you to the car wash! Or, if you're really brave, have your child help you wash your car!
- With your child, look through some old clothes that they no longer need and drop them off at a "clothes drop off" box near you. Talk about how they can help their "neighbors" by giving them clothes that they no longer need for others to use.

Special Snack: This Thursday, June 23rd, we will enjoy a "Car" snack of apples, grapes, and milk. If you would like to bring an item for this special snack, please use the sign-up sheet on the classroom window.

Reminder: Please remember to label all of your child's belongings. This includes backpacks, lunch pails, water bottles, jackets, and hats. Thank you!

Love in Christ,
Mrs. Sanchez
