Share Day:

This week your child may bring something about family or friends, or something that is yellow.

**Featured
Composer:**

Every month we will learn about and listen to a famous classical music composer during our art and quiet activity time. We will learn fun facts about their lives and try to identify their songs. This month our featured composer is Ludwig Van Beethoven. We will listen to his famous "Ode to Joy" this week.

**Enrichment
Activities:**

- *Find different items in your house that start with the "Bb" sound.
- *Make a family tree, and list all the people you can think of that are in your family.
- *Use the sheet that was sent home to practice signing "family" words in sign language.
- *Make a list of fun healthy foods you and your family members like. Then try to incorporate them into meals throughout the week.
- * Read our Bible story, "Noah's Ark" from Genesis, chapters 6-9: "A long time ago, the people of the world were not treating each other kindly. God was very sad, and so he decided to send a flood to cover the entire world. However, one man, Noah, and his family were very good people, so God told Noah to build a big boat and to gather two of every kind of animal to be kept safe in the boat when the flood arrived. Noah did as God commanded and soon he, his family, and all the animals were drifting in the flood waters. After many weeks of waiting, the flood went away and Noah, his family, and the animals were able to again return to land. God set a rainbow in the sky, promising Noah that he would never again flood the earth." (Summary taken from The Story of Noah's Ark by Helen Darkik.)

God bless you all,
Miss Molinar
