- Make a dinosaur egg with your child using the instructions found here: <http://www.growingajeweledrose.com/2013/04/dinosaur-activities-for-kids-eggs.html> (There are only five ingredients you need, all of which can be found around your home!)
- Go to the library and encourage your child to choose some books about dinosaurs! Take them home and read them with your child. Here are a few dinosaur books to keep an eye out for: *Gus the Dinosaur Bus*, *Dinosaurs Galore*, and *How Do Dinosaurs Say Goodnight?*
- Practice skipping and galloping together as a family!
- Have fun helping your child print their letters, A – Z, using a white crayon on black paper! Then, draw a rectangle around each letter.
- Spend some time worshiping God with your child through singing! This is an especially neat thing to do in the car if you don't have time during your day!
