- Make a boat with your child out of foil! After it's done, fill a container with water and see if your boat floats. Can your boat hold a penny without sinking? What else can it hold?
- Take a trip with your child on the local bus. Play a game of "I Spy", count the number of blue cars you see, or think of another game to play with your child that you wouldn't normally be able to play while you're driving.
- Take your child with you to the car wash! Or, if you're really brave, have your child help you wash your car!
- Sit with your child and draw the faces of disciples on 12 popsicle sticks. Then go on YouTube and listen to the song "Jesus Called Them One By One." Use the popsicle disciples as you sing the song together.

God Bless!
