Enrichment Activities:

- When you are with your child this week, have fun looking for yellow items.
- Enjoy dancing together using your whole body.
- Read Genesis 2:8-25. In this Bible story we learn that God had created a man He called Adam and gave him a beautiful garden to live in. God also gave Adam a helpmate, he called Eve. Adam and Eve were to watch over the garden that God had created for them. They enjoyed taking care of the animals too. I think it would have been so much fun taking care of the animals! We will learn more about the Bible story in the next newsletter. I love sharing God's Word with you each week!

Love in Christ,
Miss Karen Peterson
