Enrichment Activities:

- Start a Christmas Advent Calendar with your family. Your child will be excited to see what each new day brings!
- Have fun looking for items around your house that are triangle shaped.
- Let your child help you begin decorating the house to get ready for Christmas.
- Read Luke 1:26-38. This is a special time of year when I get to share the Bible story of Jesus' birth with the children, and I will be sharing the Bible story with all of you too! My prayer is that you will enjoy learning about Jesus as much as your children do! The Bible story begins when a young woman, named Mary, is told by the Angel Gabriel that she is to have a baby, and his name will be Jesus. Mary is unmarried and is very concerned about this. The angel tells Mary that the Holy Spirit will come upon her. Mary loves God and wants to obey Him, so she tells Gabriel that she will do what God asks of her. What faith it must have taken to do this! We, too, should have such faith! There will be more to this Bible story in the next newsletter.

Love in Christ,
Miss Karen Peterson
