- Encourage your child to try a new food this week! While they're eating, ask them what it tastes like. Is it sweet? Sour? Yummy?
- Take a trip to a local garden center (Lowe's and Home Depot have garden centers if you can't find any others). Smell all the different flowers and plants with your child. Help your child decide which are their favorite flowers or plants to smell.
- Take your child outside in the evening. Ask your child what they hear. Are there any crickets chirping? Any cars honking?
- Have you and your child pray together at home, and pray over our country. Ask God to guide our leaders of this nation so that we may continue to have the freedom we have right now. Thank God for our freedom and the people who help fight for it.
