

Weekly Newsletter

November 2 - 6, 2026

Weekly Academics:

Letter: H **Number**: 11 **Color**: Gray **Shape**: Circle

Unit of Study: Weather: Wind, Air, Clouds

Bible Story: David & Goliath

Big Idea: God makes us strong!

Bible Verse: "I can do all things through Christ who strengthens me." Philippians 4:13

Share Time: Children may bring one item related to wind, air, and clouds to share with the class this Thursday or Friday! **Please label your child's share item with their name.**

Special Snacks: Please refer to the monthly snack calendar and/or sign-ups that may be posted on the outside of the classroom for upcoming special snacks!

Home Enrichment Activities:

- **Talk about the how David trusted in the Lord** when He faced Goliath and about how God is with us when we face our "giants". He will strengthen us and help us with our problems when we look to Him!
- **Go cloud watching with your child.** On a cloudy day, take a blanket outside and lay it down in an area that is clear of trees. Then, have your child lie next to you and watch the clouds as they roll by. What do they see – a certain shape, animals, or object? Let them know what kind of clouds are out that day.
- **Fly a kite with your child outside on a windy day!** If you are extra adventurous, you can make your own kite using the directions found here: https://www.my-best-kite.com/how-to-build-kites.html. Talk with your child about why the kite stays up or doesn't stay up. Ask them what they think would help it stay up better, and how they think it could stay up if there wasn't any wind.

God bless you!
