

Weekly Newsletter

October 5 - 9, 2026

Weekly Academics:

Letter: E

Number: 8

Color: Brown

Shape: Square

Unit of Study: Fall Season: Fall Leaves, Cooler Weather

Bible Story: The Passover & Freedom for the Israelites

Big Idea: God saves me when I trust Him!

Bible Verse: "As for me and my house, we will serve the Lord." Joshua 24:15

Share Time: Children may bring one item related to the fall season to share with the class this Thursday or Friday! **Please label your child's share item with their name.**

Special Snacks: Please refer to the monthly snack calendar and/or sign-ups that may be posted on the outside of the classroom for upcoming special snacks!

Home Enrichment Activities:

- **Help your child think of someone you can help out.** Get creative! Maybe you know of someone who is lonely and could use a phone call, or an elderly friend who needs some help pulling weeds or grocery shopping! Please keep in mind social distancing while recommendations while you brainstorm. Remind your child that God can use them no matter how big, small, young, or old they are, just as He used Moses to lead the Israelites out of Egypt!
- **Talk to your child about the transition from summer to fall.** Discuss the seasons and how the leaves change colors before they fall, the weather becomes cooler, and the days grow shorter.
- **Go on a nature walk and collect leaves.** Notice differences in sizes, colors, shapes, textures, etc.
- **Make "leaf" crayon rubbings!** Place a leaf under a paper and rub the side of a crayon over the paper until you see the outline of the leaf appear. Repeat with different leaves & crayon colors!

God bless you!
