Enrichment Activities:

- Go for a walk and see how many red and green items you and your child can find.
- Have fun preparing a meal from another culture with your family.
- Read a book together that represents your family's culture.
- Thank God for creating all the unique people in our world.
- Read Luke 17:11-19. This Bible story talks about how Jesus entered the city and saw ten men who had leprosy. The men asked Jesus to have mercy on them. He did and made them well. Only one man came back to say thank you to Jesus. This made Jesus sad because He had healed ten men. This reminds to always remember what Jesus has done for us and to be grateful!

God bless you all,
Karen Peterson
