Unit of Study: My Family - My Friends

Bible Story: Building the Ark, The Big Flood, The First Rainbow

Bible Verse: "In the beginning God created the heavens and the earth." Genesis 1:1

Share Time: Children may bring a picture of their family to share with the class.

Abeka Phonics: Betsy Bee B says "b – b, b, b" as in bell, balloon, Bible, baby, and banana.

Academics to Practice this Week: **Color:** Yellow **Shape:** Oval **Number:** 3

Featured Composer: Johann Strauss Jr.

Home Enrichment Activities:

- Practice this week's academics, by finding 3 yellow things, drawing 3 yellow ovals, and writing number "3" three times.
- Tape two toilet paper rolls together to make binoculars with your child. Then, go on a scavenger hunt looking for things around your home that start with the letter "B". Practice our classroom phonics.
- Ask your child to color a picture for a family member or friend. Write their name on the picture with a highlighter and help your child trace it to sign their picture. Then, mail or hand-deliver their picture.
- Take your child outside and turn on the hose for some water play. See if you can spot a rainbow in the spray of the hose. Ask your child what colors he or she can find in the rainbow. Afterward, remind your child of God's promise to us that He will never cover the whole earth in water again.

Special Snack: Tuesday-Thursday and five-day students will be making a special "Trail Mix Friend" snack next Thursday, August 29th. Please use the sign-up sheet taped to the window of our classroom, if you wish to donate items. Thank you!

God Bless,
Miss Cristin Salas
