Weekly Newsletter

April 22 - 26, 2024

Weekly Academics:

Letter: K

Number: 7

Color: Blue

Shape: Oval

Unit of Study: Earth Day Week

Bible Story: The First Church

Big Idea: God calls us to be a part of His Family!

Share Time: There will be no share time due to the short week.

Featured Composer: Johann Sebastian Bach

Home Enrichment Activities:

- Take your child to the park to help clean up the earth! Take a trash bag, wear gloves, and remember to wash your hands when you're done! Remind your child that God gave us the earth, so we need to take care of it!
- Collect some items from your recycle bin that can be safely used to make something new. Brainstorm with your child: what can you make with these things that would be otherwise considered "trash"? Remind them that recycling is one way we can keep our earth clean.
- Read "The Lorax" by Dr. Seuss with your child. Have a discussion about how we can take care of the earth.
- What makes the church? The church is the group of people who follow Jesus! The ones who are His body, His hands and feet in the world. We are called to be His witnesses, to share our stories far and wide. To tell anyone who will listen about who Jesus is and how He has changed our lives. Jesus didn't say we had to be Bible scholars or professional evangelists, just be witnesses. Tell your story of what you have seen, heard, and experienced. When we are filled with the Spirit, we are *on fire* for the mission as the early Church was, and we too can change the world in our generation. (From "Church History for kids: Where Was the First Church?" By Jessica Wolstenholm)

School Closed: School will be closed this Thursday, April 25th, and Friday, April 26th, for Little School of the West's annual staff retreat.

Love in Christ,
