## Home Enrichment Activities:

- **Think about how much God loves you!** Read 1 Corinthians 13, together with your child. This "Love Chapter" in the Bible defines love for us: "Love is patient, love is kind..." Take time to remember His faithful love and count your blessings. Discuss with your child about ways we can love God and love others. Then pray and ask God who you can bless today/this week! ☺
- **Read a picture book together about our 16<sup>th</sup> President Abraham Lincoln.**
- **Use pretzel rods and peanut butter or cream cheese to build President Lincoln's "log cabin"** with your child. You can embellish with wheat - thins, graham crackers, and anything else you have in your pantry!
- **Practice drawing hearts together and writing sweet notes for family and/or friends.**
- **Make Valentines at home with your child. As you do, ask your child who is special to them.** Use some construction paper, markers or crayons, glitter and glue to decorate a Valentine for Grandma and Grandpa, other family members, or friends! When it's ready, help them deliver the Valentine to that person or send them in the mail for a special Valentine's Day surprise.

Valentine's Day Special Snacks & Exchanges: Please refer to our upcoming events page for information!
